

## **Directions to Kress During Egg Harbor Hwy 42 Road Construction**

### **From The South**

As most of you know, Highway 42 in Egg Harbor is under construction. If you follow the posted detour (signs that begin in Carlsville), it will add an additional 15 minutes to your drive time. This suggested detour will save time:

- Continue north on Hwy 42 and turn right on County T. This is about where the barricades begin at the south end of Egg Harbor.
- Turn right and continue about 1 mile to Heritage Lake Road.
- Turn left on Heritage Lake Road and continue about ½ mile to Harbor School Road.
- Turn left on Harbor School Road and continue about 1 mile to Church Street.
- Turn right on Church Street and the Kress Center is on your left in a few blocks

### **From The North**

- Continue on Hwy 42 past the “Road Closed Ahead” signs at County EE. You will be able to stay on Hwy 42 until you reach Church Street.
- Turn left on Church Street.
- After the stop sign for County E, the Kress Center will be down a block on your right.
